National Security Council Staff  
Washington, D.C.

Dear Ms. Tuchman:

I attach the study that we promised you on the Soviet View of the Dissident Problem Since Helsinki which you wanted for briefing purposes prior to the Belgrade meeting. This study has been prepared by the USSR Division of ORPA within the Agency. I believe both you and Mr. Brzezinski will find it of considerable interest. I would welcome any comment that you or he would like to make.

I also attach another study entitled Soviet Objectives and Tactics at the Belgrade Conference which was prepared by the USSR Division of ORPA. Again, comments would be welcome.

Sincerely,

Cord Meyer Jr.
